TEACHER OF COMPUTER SCIENCE

(A Recruitment and Retention Allowance may be available for an appropriate candidate)

We seek a colleague who is passionate and knowledgeable about the subject, and is able to motivate and extend talented students in a thriving Department. We are recognised as one of the leading state schools in the country and ranked the top state school in the South East by the Sunday Times Parent Power Survey in November 2018. Reading School empowers students to achieve not just academically, but also in social aspects, resilience and curiosity. Standards at the school are exceptionally high at all key stages. Reading School is committed to providing an inspirational school environment, where students are encouraged to strive for excellence, supported in their growth for maturity and integrity, and develop their leadership potential.

This post has arisen due to sustained increase in demand for the subject.

The successful applicant will be required to teach up to A Level. The Computer Science department is well resourced and offers an innovative and rigorous curriculum at all key stages. We would require any successful applicant to embrace the departmental ethos of collaboration, innovation and dedication to our students.

Reading School is an extremely successful 11-18 selective boys' school with a reputation for high standards of behaviour and achievement. Our mission is to develop academic excellence and to build good men, where we consider our core values of excellence, integrity, leadership and community to be integral to our success and to our future.

Reading School is committed to safeguarding and promoting the welfare of students and expects all staff to share this commitment. The successful applicant will be subject to a DBS check.
