

GOVERNORS' AND MEMBERS' DECLARATIONS OF INTERESTS

The table below summarises the interests declared by governors of Reading School and members of the Academy Trust for the 2025/26 school year and also includes the interests most recently declared by governors who have served on the Governing Body since September 2024 but are no longer members. Governors and members are asked to give details of any organisations in which they have a direct personal financial interest, other personal interest or to which they have a duty, which could be seen as conflicting with their responsibilities to the school. In addition, they are asked to give details of any organisations in which, to their knowledge, their spouse, partner or other member of their household has a direct personal financial interest, other personal interest or has a duty, which could affect their activities as a governor or member and could be seen as conflicting with their responsibilities to the school. The individual declarations made by each governor and member are available for inspection on request. Please contact the Governance Professional:
