

Founded 1125

Biology Technician (part-time)

Salary Scale: RG3 (Point 15-18 of the Local Government Pay Scale) pro-rata

Actual Salary £6132- £6439 (£17972- £18870 FTE)

The salary range can be negotiated depending on experience.

Term-time only (15 hours per week over 2 days Thursday and Friday or 3 days to include Thursday and Friday). Start and end times can be flexible/negotiable up to a maximum of 15 hours per week.

Starting in January 2018, please apply as soon as possible, applications will be considered as they are received.

We are looking to recruit an enthusiastic, suitably qualified Biology Technician to provide effective support to a thriving curriculum team delivering Biology. Biology is taught separately from entry in Year 7 and is compulsory to Year 11. It is a highly popular A Level subject in the Sixth Form with four sets in both Year 12 and Year 13. Students are extremely motivated with a significant proportion moving on to study at top universities.

This critical role will involve supporting Biology Teachers in delivering experimental lessons and general Biology administration.

Good communication and organisational skills together with a genuine interest in Science and experience using Information Technology is required. School laboratory experience would be beneficial, and training will be provided as required.

For further details of the post and an application form, please download the details from our website: www.reading-school.co.uk or contact the Head's PA at headspa@reading-school.co.uk. For informal visits to the school or an informal discussion with the Head of Department, please contact Mrs Howson: fhowson@reading-school.co.uk

Reading School is committed to safeguarding and promoting the welfare of students and expects all staff to share this commitment. The successful applicant will be subject to a DBS check.
