Dear Parent/carer,

Notice of information: Oxbridge key dates 2019

This is an important notice of information for all parents/carers of students intending to apply to Oxbridge or Medicine courses next academic year.

The admissions exams, which are requirements for most students intending to apply for Medicine and are also required for certain courses at Oxford and Cambridge, will be taking place on **Wednesday 30th October 2019**. This is during our half term and consequently we must advise all parents/carers that their son will need to be available in Reading on this date if there is a chance your son may be looking to apply to Oxbridge or Medicine.

We would recommend your son begins researching whether or not his intended course of study requires an admissions test, in order for you to have a clear idea of whether it will be necessary for you to keep this date free. The following link is a good start point for his research into this very important aspect of his academic future: <https://www.admissionstesting.org/for-test-takers/>

The list of subjects requiring a test changes every year, so they must be proactive in this research and not rely on previous students' knowledge of this process.

If there are any questions regarding this, please ask your son to contact Mr Lloyd (Head of Year 12), or Mrs Turner (Examinations, Data and Assessment Officer).

Many thanks for your support.

Yours sincerely

Mr A Lloyd
Head of Year 12
