Required for September 2019

Head of Physics

TLR 1b

Recruitment and Retention Allowance available for an exceptional candidate

The Governors at Reading School have an exciting opportunity to recruit a Head of Physics to join this successful and thriving department with effect from September 2019. The successful candidate will lead a motivated, specialist team who support students to achieve excellent results at GCSE and A-Level. The person appointed will be an outstanding teacher with the skills and motivation to lead and manage a department to help students achieve the best that is possible.

Reading School is a highly successful selective boys' state school, with an excellent reputation locally, nationally and internationally. This reputation is based on our core values 'Excellence, Integrity, Leadership and Community', and our commitment to continuous improvement.

The Head of Physics will be responsible for the leadership and management of this vital area of the school's curriculum. Physics is a compulsory subject from Years 7 to 11 and a very popular subject at A Level, with eight A Level sets across Years 12 and 13. Annually, almost 20% of our leavers go on to study Engineering or Physics at University.

Applications are invited from professionals who are able to demonstrate:

- The vision and commitment to represent our ethos and values;
- Excellence in teaching and learning;
- The qualities and skills to provide leadership to students and staff.

Closing date for applications: Friday 1st February 2019

Reading School is committed to safeguarding and promoting the welfare of students and the successful applicant will be subject to DBS (Disclosure and Barring Service) clearance.
