Dear Owner/Occupier.

**ERLEIGH ROAD CARRIAGEWAY REPAIRS**

Further to my letter dated 14 January 2019 when I informed you that the road will be closed and parking suspended for 5 days commencing Monday 21<sup>st</sup> January 2019.

Now that parked vehicles have been removed and the road swept a further inspection has revealed that additional repairs are required. We have therefore extended the closure and parking suspension for a further week, to Friday 1<sup>st</sup> February 2019.

We will continue to maintain access to properties on Erleigh Road, and all access to Denmark Road will continue from London Road.

This extended closure will inevitably result in additional inconvenience and therefore, on behalf of the Council, I would like to thank you for your continued co-operation whilst we carry out these essential works.

Our workforce will continue to assist you where possible or you may contact Reading Borough Council on (0118) 937 3787.

Yours faithfully,

R M Brown  
Assistant Engineer
