## **Support for Parents/Carers of Secondary Students in Reading**

The Reading Young Peoples' Emotional Wellbeing Partnership is delighted to offer a series of opportunities for parents/carers to find out more about a range of difficulties that young people may be facing, and how they can best support their child. The team of Educational Psychologists and Primary Mental Health Workers who work closely with school staff to improve outcomes for young people across Reading, will deliver these sessions. We will be delighted to welcome parents/carers from students attending **any secondary school in Reading.**

The sessions will be delivered twice on the same day:

- **Reading Girls' School (RG2 7PY) at 9.30am**
- **Kendrick School (RG1 5BN) at 6.00pm**

Please use this link if you would like to reserve a place for the session on **Self Harm**:
