Dear Parent/Guardian,

2019 Astronomy Evenings

The Reading School Astronomy Club will be hosting two evenings, open to students and their parents/guardians, where we hope to observe some of the astronomical sights visible at this time of the year.

The evenings will be held on Wednesday 20th March and Wednesday 27th March, beginning at 18:30 and ending at approximately 20:30.

If your son is interested in attending then please complete the survey form below, detailing the number of guests that will accompany them, for example parents / guardians / siblings.

[Astronomy Evenings attendance](#)

Please note: These evenings are weather-dependent, and may be cancelled at short notice if viewing conditions are unsuitable. We will endeavour to email all attendees by 14:00 on the day, should we need to cancel a specific session.

Yours sincerely,

Mr I Sharma

Teacher of Physics
