TEACHER OF ENGLISH

Potential for a flexible start date

Recruitment & Retention Allowance for ideal candidate

The Governors of Reading School are seeking to appoint a motivated English Teacher to join one of the best state schools in the country and inspire our outstanding students.

We would welcome applications from enthusiastic newly-qualified or experienced English teachers who are ready to work with exceptionally able students.

This is an exciting opportunity to join a close-knit, thriving and supportive department which topped the rankings nationally of boys' selective schools for GCSE English Literature attainment in 2018. Our new colleague will be given the opportunity to develop their passion for the subject in an environment which rewards the creativity, flair and resourcefulness of both teachers and students. We have so much to offer an aspirational colleague: engaged and sparky students who follow both GCSE English Literature and English Language specifications; vibrant and stimulating programmes of study across all year groups which provide ample opportunity for personal innovation; a stimulating programme of extra-curricular activities which complement the challenges provided to students in the English classroom.

Our School is a remarkably successful 11-18 school with a reputation for high standards of behaviour and achievement. Our mission is to develop academic excellence and to build good men, and we consider the values of excellence, integrity, leadership and community to be integral to our success and to our future. We are committed to safeguarding and promoting the welfare of students and expects all staff to share this commitment. The successful applicant will be subject to an enhanced DBS check.

Our Deputy Headmaster Dr Chris Evans would be delighted to talk to you regarding further details of the post which can be found, along with an application form on the School website:

Applications will be considered upon submission.
