## Reading School Summer Fayre car display Saturday, July 6<sup>th</sup> 2019 2019, 12-3pm Reading School RG1 5LW

Following a tremendous amount of interest in the cars displayed at 2017 and 2018, we have again been asked to bring the cars to this year's event. The school has agreed to expanding from the cars displayed on the hard terrace and allowed us to use the edge of the school field (weather permitting) so we should be able to accommodate a significant increase on previous years.

To give a flavour of cars, past year's line ups have included:

*1934 Vauxhall Light 6 Stratford Tourer, 1952 Jaguar XK120, 1968/2006 FordGT40 Mk1 Superformance, US spec Jeep, 1968/1998 Ford GT40 Mk1 GTD, 1981 Rolls Royce Silver Spirit, 1997 Porsche 993 Targa, 1998 Porsche 996, 2001 Lotus Exige S1 track car, 2001 Vauxhall VX220 Supercharged, Chevy Impala, Gartrac G3, and several Fast Ford RSs.*

If you have an interesting car in your family - exotic, old, rare, quirky or just plain cool there is a place in the display for you. The Fayre lasts from 12 noon until 3pm and many of you will be coming anyway – this way you can guarantee a great parking space for the event!

This a great chance to take some fantastic promotional photos of your car against the backdrop of the school buildings – not an opportunity that is usually available.

If you have such a car and would be prepared to bring it along on July 6th we'd love to make room for it.

in good time so that we can make arrangements to accommodate everyone who shares our enthusiasm for cars and would like to take part in our car gathering.
