

Getting Started With VLebooks

VLebooks is our new ebook platform. Here you will be able to either read online or download popular fiction and non-fiction books that we have purchased for the school. You will not find any textbooks here.

You can download one book at a time

Access

You can access VLebooks using their website:

<https://www.vlebooks.com> (then click on Office 365) or use this link

www.vlebooks.com/vleweb/account/Office365SSO

You can browse all the ebook titles or navigate to a particular category using the site navigation

Read Online

Tip: if you choose to read on online, use the tools to set up the display to your personal preference. There are a number of ways you can modify the display to make it easy and convenient to read.

Download

To download books you need a device that is compatible with Adobe DRM and a free adobe account

1. Set Up a Free Adobe Account

Go to: <https://www.adobe.com/account/sign-in.adobedotcom.html>

Click the 'Don't have an Adobe ID?' link and complete the information requested

2. Set Up Your Reader e.g. Adobe Digital Editions or the VLebooks App

You can download Adobe Digital Editions for free

<http://www.adobe.com/products/digitaleditions/>

Or, there are free Apps available on the App Store and Google Play Store for Apple and Android devices e.g. VLebooks

3. Activate

Activate your reader (either Adobe Digital Editions or your App) with your new Adobe ID. Your Adobe ID is the Email address and password you entered in step 1.

4. Return to the Vlebooks Website

You are now ready to download your first Vlebook. Click on **download** and choose how long you would like to keep the book. You can choose 1 day, 7 days or 14 days. The downloaded book will disappear when the selected time elapses.

Once the book is downloaded you are ready to read!

If you have any problems, questions or book suggestions - please email
