THINGS TO DO BEFORE MY CHILD STARTS SCHOOL

Lockers

During lockdown we have installed new outdoor lockers after student feedback. We have also had to remove them from all indoor spaces in anticipation for students returning to school and remaining in protective bubbles. The new lockers are located outside for ease of access during the school day.

Lockers are now managed by an external company called Locker Rentals. There is a charge for these lockers depending on the size you select. These are totally optional and there are still some open shelving, if boys prefer to use this. Students who use the open shelves or leave their belongings around the school site they will need to take everything home **at the end of the school day** otherwise it will be treated as lost property and handed over to the Parents Association for sorting.

Most lockers hold two school kit bags. These lockers are at a cost of **£36 per year**, they are fully waterproof, secure, and opened with a code and not a key. If you would like to pre-book a locker for your son for the start of term, then please make sure you choose 2020/2021.
