

ILLUSTRATIVE SUMMER ASSESSMENT TIMETABLE FOR YEAR 13

The following draft timetable may change in the week ahead as marking requirements and logistics are finalised. A final version will be sent in the week ahead. It does however, accurately reflect the total number of papers that will be sat across the three weeks. Most papers will start at 09:30. As they enter their last exam in a subject students will be required to submit notes, exercise books and folders that may be used as evidence in quality assurance processes.
