

## Reading List: Year 7

For students: What an opportunity! A week to lose yourself in a book, watch a documentary with your family on the sofa or pop a podcast in your ears while you go for a walk. Don't worry - the aim is not for you to read all of these! The aim is to enjoy a wide range of resources from a wide range of subjects, so don't limit yourself to your 'favourite' subjects or those in which you are strongest - reading should take you beyond your experience. See where the subjects can take you.

For parents: We want to promote intellectual curiosity and scholarship through independent reading, so please play your part in encouraging your child to read for pleasure. Departments have given you a wide range of resource formats, thus preventing the need to buy anything new (unless your child wants it as a special birthday gift!) - we highly recommend using your local library (you can order books in advance to collect for Reading Week): [Find me a Library!](#) Instructions on how to access our fantastic resources from the LRC are also included at the end.

## Accessing resources from the LRC

### Using the LRC Before Reading Week

- By the start of October half-term, all year 7, year 9 and year 12 pupils will have been invited to the LRC to discover the range of resources available to them both within school and from home. New students should have received a Guide to Using the LRC and those embarking on research projects should have received our Eresources Guide.
- All pupils can borrow books from the LRC for Reading Week. Fiction holiday loans start from Monday 10<sup>th</sup> of October and non-fiction holiday loans start from Monday 26<sup>th</sup> of September. This means if you borrow a book from these dates, it will be due back when you return following Reading Week.

E-Resources Available From Home 24/7 The LRC subscribes to a range of high quality e-resources that can be accessed from home. An alphabetical list, complete with links and login details can be found on here <https://readingschoolco.sharepoint.com/SitePages/LRC%20E-Resources.aspx> This includes two ebook platforms. Both platforms can be accessed using pupil Office 365 logins:

VLeBooks is a small ebook library and provides access to both fiction and non-fiction ebooks. Books can be read online. You can access VLeBooks via this link [www.vlebooks.com](http://www.vlebooks.com). This includes 6<sup>th</sup> form wider reader titles. You can also preview books we do not own. To request a book we do not own, please email [lkesteven@reading-school.co.uk](mailto:lkesteven@reading-school.co.uk).

ePlatform by Wheeler's is our new ebook and audiobook platform found here: <https://readingschool.eplatform.co>

The ePlatform library catalogue is full of bestselling, popular fiction titles. Students can have 2 books out on loan at any one time, and they will automatically return after 2 weeks, or students can return them early in order to loan a new book. The eBooks can be read on a computer, laptop, or through the free App on your tablets or smartphones. [Reading through your web browser on a laptop or computer](#)

Students can browse the collection or search for a specific book title, author or publisher and loan the book they choose. It is then assigned to them for the 2-week period.

#### Reading through the App

To download the App, search "ePlatform" in the App store and download. Click on the app and you will then need to search for the library which will be Reading School. Once you start typing, it will bring up the school on the list. Click the 3 little lines in the top left corner and select sign in. Using the App, the books will be temporarily downloaded to the device so students will not need internet connections once the book has been loaned to read, great for travelling!

To access these resources, visit the LRC (Learning Resources) area of SharePoint and navigate to the eResources section. You can also click this link.
