

Dear Parent/Carer,

School Governing Body - Parent Governor Vacancy

One of the parent governors – Mr Oliver Pilkington – has resigned with effect from 31st October 2023. This means that there will be a vacancy for a Parent Governor to serve on the Governing Body of Reading School from that date. This letter invites nominations to fill this vacancy.

Set out below is some information about the composition of the governing body, the role of governors, and the responsibilities of governors. For more information about what becoming a governor is likely to entail, you may also want to visit: <https://www.nga.org.uk/about/become-a-governor-trustee> . In essence, governors should act in a strategic role, as a 'critical friend' to the school and be accountable for their responsibilities.

Although the school governor role is voluntary, it does require a commitment of time and the ability to attend evening meetings. It can be very rewarding as you help to shape the future of Reading School. We want to continue to provide the very best possible educational experience for our students, and the Governing Body plays a key part in helping the School to achieve that vision. It is very important that parents/carers of boys in the school stand for election to the Governing Body, so that their views are heard on it.

Some parents/carers may be put off by the amount of work involved in being a Governor, or feel that they do not have the necessary expertise, knowledge or skills to carry out the role effectively. However, experience shows that they have much to offer to their local schools and can play a vital part in helping schools to meet the needs of the students and the communities they serve.

Governors are not expected to be instant experts. Successful candidates will be provided with relevant information by both the Local Authority and the school, once they are elected, and it is expected that they will take part in training events to help them learn about their role. However, we try to assemble a good range of skills and expertise on the Governing Body, and, at this juncture, we are particularly keen to attract people with a background or skill or experience in

With this letter you will also find a nomination form. It is in order for you to nominate yourself, if you wish. **Completed nomination forms should be sent to the Clerk to the Governors, by e-mail, to govsclerk@reading-school.co.uk (please complete the form below and send a scanned copy). They must reach the Clerk by 12 noon on Friday 27th October 2023*. No nominations will be accepted after this time.**

In addition, those who are nominated (or nominate themselves) should write a brief statement about themselves using the form provided via Microsoft Forms at <https://forms.office.com/e/0qcfMxacSM> to help parents to decide who to vote for (if an election is needed).

Depending on the number of nominations received, it may be necessary to arrange an election, which will take place in November 2023.

Remember, decisions taken by the Governing Body will affect **your** child's future education. To make sure you have a voice in that decision making, please make every effort to take part in these elections. Reading School Governance

A Note for Intending Governors

Reading School is a selective 11-18 boys' school within the state sector. There are roughly 1100 students of whom over 350 are in the sixth form and around 80 are weekly boarders. Day students are admitted from the greater Reading catchment area. Reading School became an Academy in February 2011 and as such reports directly to the Secretary of State for Education. The *modus operandi* of the School is determined by a Funding Agreement between the Reading School Academy Trust and the Secretary of State for Education.

The governance of Reading School is the responsibility of the Governing Body. The Governing Body currently consists of fifteen governors: two are appointed by the Reading Foundation (the charity which holds in trust the endowments and property of the School); two are elected by staff; and four are elected by parents of students at the School. The Headmaster is an *ex officio* governor, and the remaining governors are appointed by the members of the Reading School Academy Trust.

The Reading School Academy Trust is a company registered at Companies House. The governors of the School are also the directors of the Company. A governor's term of office is four years from the date of appointment.

The Governing Body meets at least five times during the School year. The detailed work of the Governing Body is conducted in committees which report on and recommend to the Governing Body matters for decision. The committees are: Curriculum & Standards, External Relations and Pastoral Care, Finance and Property & Projects. These committees meet at least once each term. Each governor is expected to serve on one or two of these committees. In addition there are committees meeting as needed to deal with (*inter alia*) admissions, student discipline, staff discipline, complaints, as well as *ad hoc* groups to look at particular issues. Meetings of the Governing Body and committees are held on weekday evenings (mainly Mondays) starting at 17.30, and should normally last no more than 2 hours. The annual schedule of meetings is agreed by governors at the start of each academic year. Governors are required to attend meetings of the Governing Body and the committees they serve on and are encouraged to attend School functions. Internal and external training will be provided as appropriate for new governors to enable them to get to grips with their role and develop their skills.

The responsibility of governors is laid down in the Articles of Association of Reading School (Annex A of the Funding Agreement): (94)... *the business of the Academy Trust shall be managed by the Governors.* And (104) *The Governors shall appoint the Principal [or Headmaster]. The Governors may delegate such powers and functions as they consider are required by the Principal for the internal organisation, management and control of the Academy (including the implementation of all policies approved by the Governors and for the direction of the teaching and curriculum at the Academy).* In practice, the role of governors in an academy school is very much the same as the traditional role of governors in state schools, with a strategic focus on the way the school is run and managed and on how it performs. RULES FOR PARENT GOVERNOR ELECTIONS

Pre-Election Publicity

A communication should be sent to each household, enclosing nomination forms and setting out the timetable for each stage of the election. A Parent Governor's usual term of office is 4 years from the date of appointment.

Eligibility to Nominate and Vote

All parents/carers of registered pupils are eligible to nominate, be nominated and to vote. Parent Governors are nominated and elected by parents/guardians of registered pupils at the school. To be eligible, a nominee must, at the time of election, have a child on the school register – he or she does not have to stand down if his/her child subsequently leaves the school, although he/she may resign. ***Candidates may nominate themselves or their spouses, or may be nominated by another parent/guardian.***

Nomination forms must be returned to the Clerk to the Governors by the date specified. Nominees will be invited to supply a short, personal statement for circulation to voters.

Uncontested Election

If the number of persons validly nominated does not exceed the number of vacancies to be filled, the Clerk to the Governors will follow the closure of the period of nominations and declare the person or persons so nominated to be elected.

Contested Election

The Clerk to the Governors must give at least seven days notice of the arrangements for the election. The Clerk to the Governors must make all reasonable arrangements for the issue and receipt of ballot papers. Ballot papers will list the names of candidates and a short personal statement by the candidate. Each elector will be entitled to have ONE vote for EACH vacancy. The number of votes does NOT depend on the number of children a parent/guardian has at the school.

The poll for the election of Parent Governor will be held over a period of one week. Elections must be held by secret ballot. Elections will be conducted by electronic voting. Proxy voting is not permitted.

The candidate(s) elected will be those gaining the most votes. The count will be conducted by the Clerk to the Governors. The Clerk to the Governors will advise all parents and members of the Governing Body of the results. All papers relating to the election should be retained. The number of votes tendered will be recorded.

Election timetable - 2023

- 27th October (noon) – closure of nominations
- 3rd November – notice of election (if required)
- 10th November – issue of ballot papers
- 13th – 17th November – online ballot:
 - 10.00 on 13th November – ballot opens
 - 16.00 on 17th November – ballot closes
- 20th November – Counting of ballot papers
- 21st November – results of poll announced.
