Safer Internet Day 2021 | Safer Internet Centre

Staying safe online | Childline

BE SAFE
Know what you're accessing,
who you're interacting with,
what information you're sharing.
Once you post, you have no control
over where it goes next.

BE KIND
In a world where you can be anything, be kind.
Spread positivity, love and friendship over social media.
Share things that bring love and laughter.

BE THOUGHTFUL
Reach out to friends and relatives
to build relationships, and to
brighten someone's day.

RESPECT & kindness
